RE: 2008 Marathon

It's hard to believe that the end of the 2007-08 school year is already in sight and preparations for next year have begun. Undoubtedly, included in your planning is the 2008 Minnesota Marathon for Nonpublic Education. The official marathon date is **Saturday, October 4, 2008**, however your school may hold its event on any date more conducive to your school community's specific needs. Enclosed you will find the information you need to get your marathon up and running.

Enclosed you will find a 2008 Marathon Registration Form. Also enclosed is a copy of our brochure, one of the many items available on our website - www.mnmarathon.org for distribution to your students. Be sure to indicate the number of the donation sheets, brochures, posters, etc. that you want sent on the back of your registration. Check with your local Knights of Columbus Council to inquire about covering the registration fee. According to State Knights of Columbus Council, local councils should, at the minimum, be covering the registration fees for schools in their local community. If you have any questions or concerns regarding how to contact your local Knights of Columbus Council, email Matt Brletich, mcbretich@usfamily.net

Registration Fee for Minnesota Marathon for Nonpublic Education = \$60
(All Non-Metro Marathon Events)

The registration fee is necessary to defray the costs of oversight and management of the Minnesota Marathon. Your registration dollars allow the State Board to maintain the Marathon website, support the CASE Corporate Matching Gifts program for your school's benefit, fund mailing expenses, and provide statewide publicity.

The 2007 Marathon Report is enclosed. Your school community is to be commended for your efforts. Whether you walk, jog, bike, rollerblade or do a community service project, it demonstrates to your community the value and worth of nonpublic education. All monies raised by the participants directly support the nonpublic school of their choice.

Please return the registration form with fees **by JUNE 30, 2008**. If you have any questions, please call Statewide Marathon Coordinator, Sue Conlin at (651) 227-8777.

The Minnesota Marathon for Nonpublic Education is one of the most unique events of its kind in the country. Let's make it bigger and better than ever!
